Run New Brunswick Road Racing Series 1993

Welcome to the 1993 New Brunswick Road Racing Series. There are 30 races which form the New Brunswick Racing Circuit. Thirteen of these are grouped into a Super Series. Races in the Super Series will be eligible for a higher point system than the Regular Series.

Provincial Standings will be calculated using the results of both Super Series and Regular Series races. The final standings will be derived using up to seven races. If eight or more races are run, points will be calculated using the best seven finishes. To be eligible for points an athlete must be a member of Run New Brunswick and/or Athletics New Brunswick prior to the race. In order to receive a ranking in the 1993 Run New Brunswick Provincial Standings he/she must:

- 1) be a New Brunswick resident
- 2) be a Run New Brunswick member

Points for the Open Men's category will be calculated on overall finish positions in races. Points for females, masters (male and female), and veterans will be calculated based on finish position within their respective categories. There will be two point systems this year; 1) Super Series and 2) Regular Series Races. Both point systems will be used to compile Provincial Standings (if more than seven races are run, final point totals will be calculated using the best seven race finishes).

All finishers will receive at least two points. In all races, record breakers will receive a bonus of five points. Only one runner per category per race will receive the record breaking points if applicable - even if two or more runners break the same old record.

When two or more runners finish the season having an equal number of points, the runner receiving the higher standing will be the one who had the best finish in their races. If the tie remains, the second best race will be considered. This will continue as necessary for the third, fourth, etc. best race, until the tie is broken.

Bienvenue aux series des courses a pied du Nouveau-Brunswick pour l'annee 1993. Il y a 30 courses dans les Super Series auxquelles vous pouvez participer et accumuler des points. Treize de celles-ci etabliront les Super Series. Les courses dans les Super Series seront eligibles pour un systeme de point superieur des Series Regulieres.

Pour le rang provincial, les points seront attribues selon les resultats des Super Series et des Series Regulieres. En ce qui concerne les rangs finals, le pointage total sera determine d'apres sept courses. Si vous avez 8 courses ou plus, les points de vos sept meilleures courses seront additionnes. Pour recevoir des points au rang provincial, il faut etre membre de Courses Nouveau-Brunswick et/ou d'Athletism Nouveau-Brunswick.

Pour obtenir un rang provincial des Courses N.-B. 1993, l'athlete doit:

- 1) etre un resident du Nouveau-Brunswick
- 2) etre membre de Courses N.-B.

Les points pour la categorie des hommes seront etablis selon leur position a la fin de la course. Les points pour les femmes, les maitres (hommes et femmes) et les veterans seront etablis selon leur position dans leur categorie.

Il y aura deux systemes de pointage cette annee; 1) Courses Super Series et 2) Courses Series Regulieres. Les deux systemes de pointage seront utilises pour determiner le rang provincial (le pointage total des 7 meilleures courses sera pris en consideration.)

Au moins 2 point seront donnees a chaque finissant. Il y aura 5 points bonis, au coureur qui etablira un nouveau record pour la course. Seulement un coureur par categorie, par courses, pourra recueillir ces points meme si deux ou plus sont classifies comme le meilleure temps.

Lorsque les points sont egaux, le coureur qui recevra le plus haut rang avec les meilleures temps dans ses courses. Si l'egalite persiste la seconde meilleure course sera condiderree. Ceci continuera pour la troisieme, quatrieme course, etc. jusqu'a ce qu'un gagnant sera determine.
